

LESLIE H. GALLAGHER, JR.

HON. DONALD NORCROSS

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 12, 2017

Mr. NORCROSS. Mr. Speaker, I rise today to honor retired U.S. Air Force Technical Sgt. Leslie H. Gallagher, Jr. of the Borough of Pine Hill, Camden County, in New Jersey's First Congressional District, for his service to our nation and our community.

Mr. Gallagher graduated from Overbrook Regional High School in 1976 and enlisted in the United States Air Force that same year. He would continue to serve in the Air Force until his retirement in 1997. During his years of service in the Air Force, Mr. Gallagher would hold many roles, including assignments in law enforcement, the financial office, and as load master for large military transport aircrafts.

During his career, Mr. Gallagher served as a non-commissioned officer-in-charge of military pay operations at four different military bases, and as travel operations and deputy finance officer, where his work was instrumental in support of Operation Desert Storm.

While stationed in Delaware and Oklahoma, Mr. Gallagher taught high school physical education to students and served as a high school basketball and track coach.

After twenty one years of service to the Air Force, Mr. Gallagher would return to Pine Hill where he served as Vice Commander and ultimately as Adjutant of Pine Hill Post 286 of the American Legion. His commitment to his community continued in his roles as chairman of the Environmental Commission of Pine Hill, Commissioner of Parks and Recreation, and secretary of the Planning and Zoning Board.

Mr. Gallagher's ongoing commitment to education is evidenced by his leadership positions on the Pine Hill Board of Education, as Pine Hill's representative to the Camden County School Boards Association, as a delegate to the New Jersey State Board of Education, and as a Sunday school teacher at his church.

After his retirement from Local 322 as an HVAC technician, Mr. Gallagher's public service would continue through his employment with the Borough of Pine Hill, where he has become an invaluable resource to the community.

Mr. Speaker, Technical Sergeant Leslie H. Gallagher, Jr. is a great American who exemplifies the true meaning of leader, community servant, and patriot. I ask you to join with me and the constituents of Southern New Jersey in honoring this exceptional man.

INTRODUCTION OF A BILL TO DIRECT THE JOINT COMMITTEE ON THE LIBRARY TO ACCEPT A STATUE DEPICTING PIERRE L'ENFANT FROM THE DISTRICT OF COLUMBIA AND TO PROVIDE FOR THE PERMANENT DISPLAY OF THE STATUE IN THE UNITED STATES CAPITOL

HON. ELEANOR HOLMES NORTON

OF THE DISTRICT OF COLUMBIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 12, 2017

Ms. NORTON. Mr. Speaker, today I introduce a bill to direct the Joint Committee on

the Library to accept a statue depicting Pierre L'Enfant from the District of Columbia and to provide for the permanent display of the statue in the United States Capitol.

Pierre L'Enfant was born in France in 1754. He was an engineer and an architect, and he traveled to the United States to serve with the United States in the Revolutionary War. In March 1791, L'Enfant was hired to develop the design for the District of Columbia. L'Enfant's design for the city was so remarkable that it remains and is cherished today in the nation's capital and throughout this country. L'Enfant's design envisioned a federal and residential city with diagonal streets propelling from Congress and the President's home, beautiful boulevards on local streets and neighborhoods, and open spaces for monuments, memorials and historical structures, all of which largely remain intact, protected as a historical treasure.

In 2006, the residents of the District of Columbia chose L'Enfant as one of the top ten Americans that have given distinguished service to the District, and the selection committee created by the D.C. Commission on the Arts and Humanities chose L'Enfant as the second statue from the District of Columbia to be placed in the United States Capitol. The District's first choice for a statue was Frederick Douglass, and I am pleased that the Douglass statue now sits in Emancipation Hall. Because the United States Capitol does not currently appropriately recognize the contributions of Pierre L'Enfant, and because D.C. residents and stakeholders chose L'Enfant as a distinguished Washingtonian, this bill would require the Joint Committee on the Library to place the Pierre L'Enfant statue in the United States Capitol.

I urge my colleagues to support this bill.

THE RETIREMENT OF LAKEWOOD CITY MANAGER HOWARD CHAMBERS**HON. ALAN S. LOWENTHAL**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 12, 2017

Mr. LOWENTHAL. Mr. Speaker, Howard L. Chambers, who has served as the city manager of the City of Lakewood for more than four decades, has announced that he will be retiring from his role at the administrative helm of the city. Howard has served longer as city manager of the same city longer than any other city manager in California—this in a profession where the average length of service in California cities is about seven years.

A true "native son," Howard is a lifelong member of the Lakewood community, growing up near Mayfair Park, going to neighborhood schools, even working at the local YMCA.

After earning his degree at Cal State Long Beach, Howard interned at the City of Lakewood for two years, handling youth services. He then went to work with the City of Rosemead as an assistant city manager. Howard returned to Lakewood in 1972 in the role of an executive assistant to the city manager. In 1976, the same year he earned a Master of Arts degree in Planning and Administration from Pepperdine University, Howard was named acting city administrator and shortly thereafter hired to permanently fill the position. The city council later officially re-titled the position as city manager.

Always looking to push his skill level further, he earned a Master of Public Administration
